

Tipper  
HM-2 & HM-3

**HAPERT COBALT**  
TIPPERS

# COBALT HM XXL: BIG, BIGGER, BIGGEST!

Measuring 400 x 200 cm, this supersized trailer is the largest tipper in the HAPERT Cobalt line.

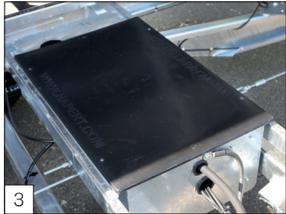

This versatile powerhouse is fitted as standard with parabolic suspension with shock absorbers and 195/50 R13 tyres, which means it can always be relied on to give optimum performance in extreme conditions.

With a rearward tipping angle of no less than 50°, unloading takes practically no time at all so you can start the next job quickly and efficiently!

**BRING  
IT ON.**

# STANDARDS, OPTIONS, AND ACCESSORIES

**As standard:** electric control powered by a battery enclosed in a steel box.

**As standard:** removable control-box with spiral cable.

**Option:** an emergency hand pump.
